The social activities! I loved the Manchester Fact Hunt on October 5th.

They had to find places and get the clues. It was a fun day enjoyed by all!

On **October 23rd**, the students will spend the afternoon at **Urbis Museum**. They will look at the exhibitions and explore the building.

Teacher's Tips

Hi, I'm Lisa Hodgkins! I'm the Assistant Director of Studies.

I've been working at Berlitz Manchester for 1 and a ½ years. I love meeting new students from all over the world and learning about their culture and country.

This month I want to tell you my favourite grammar anecdote;
There were four people named Everybody, Somebody, Anybody and Nobody.
There was an important job to be done, so Everybody was asked to do it. Everybody was sure that Somebody would do it. Anybody could have done it, but Nobody did.
Everybody was angry about that because it was Somebody's job. Everybody thought that Anybody could do it, but Nobody realised that Everybody wouldn't. In the end, Everybody blamed Somebody when Nobody did what Anybody could have done.

Manchester Events

No cultural tour of the city would be complete without a trip to **Manchester Art Gallery** on Mosley Street. This impressive neo-classical building houses some of the best exhibitions and installations in Britain. Now showing: Art Treasures in Manchester: 150 years on
