

A word from our Director of Studies

Welcome to Berlitz Manchester!

Why don't you come and study here!

Our teachers are all native speakers and all certified teachers, with either Cambridge, Trinity or other recognized TEFL or TESOL qualifications. They have been chosen for their international teaching experience, their enthusiasm, and above all, their concern for the needs of the students as individuals. This approach is evident in the special care our staff takes with each student, often giving help outside scheduled class hours.

Every month we have lots of fun activities at school and around Manchester and all our other students are looking forward to meeting you!

Mark's Study tip

This month we have had Matthew Yallop from Pearson's Publishing come in and do 'dictionary presentations' for all the classes. All the students really enjoyed it. Other online useful resources are www.dictionary.com which gives an online dictionary and a thesaurus to help your vocabulary.

For Pre-Intermediate – Intermediate learners, Matthew recommended the new WORDWISE Dictionary which comes with a CD-Rom. There were lots of great exercises and games to practise vocabulary from. You should buy it!
